

Attached is the 2011 Recyclables Calendar. Please note that weeks that have a holiday are indicated in red, scheduled pick-up will be delayed by one day due to the holiday. Landlords please forward this schedule to your tenants, as you are ultimately responsible for collections at your properties. Additional copies of this Calendar are available at the Warren Town Hall, Warren Public Works and the George Hail Free Library.

A "NO BIN NO BARREL" ordinance was recently enacted by the Warren Town Council, to increase the Town's recycling rate of 35% to comply with State Law. This means that as of the week of February 8th 2010, if no recycling bin is present at curb side trash, the trash will not be collected and the Homeowner/Landlord will be responsible for the disposal of the trash if it is not picked up. Noncompliance of this ordinance will result in police action, if the trash has not been removed within 24 hours of your scheduled collection date.

If you need a recycle bin they will be on sale for \$5.00 each and available at the Warren Transfer Station located on Birch Swamp Road during the hours 7:30 am to 3:30 pm Weekdays and 8:00 am to 12:00 pm Saturdays.

If you have any questions regarding Recycling, Trash collection or the implementation of this new ordinance please call the Warren Department of Public Works at 245-0200.

Thank you in advance for your cooperation in the implementation of this new ordinance and I hope for a smooth transition in this policy. Proper recycling is all of our responsibility.

Sincerely,  
John M. Massed  
Director of Public Works
