Town Hall Conversation

September 10, 2020

5:00 PM

We are all doing our best to adapt to a new environment that impacts how we work, how we play and how we live. For businesses there are financial resources available from Commerce RI. For all of us we are encouraged to move activities outside.

We want to share information regarding available resources, we want to hear your concerns and ideas.

**Liz Tanner, Director of the
Department of Business
Regulation will be our guest**
